What's New in the?

ClipInc. is your personal Sound Machine. Thanks to ClipInc. you never have to look out for your favorite songs because ClipInc. provides you permanently with all hits for free. There are numberless radio stations in the whole world, which provide you with billions of songs, 24 hours a day. ClipInc. records the current radio stream and saves the respective files in MP3 format to your hard disk. All you will need is a computer, an internet connection (fltrate recommended) and of course ClipInc. ClipInc. consists of two software components which work according to the Client/Server principle. While the server component is permanently operating in the background to record the radio program, the client (ClipInc. Player) serves as the user interface. With it, you can access your one central server from an unlimited number of PCs. By so-called StreamTags, which are received in regular intervals, ClipInc. is supplied with information on the recorded radio stream. Additionally to the starting and ending time of the individual songs, ClipInc. also provides the title of the song, the artist and even the lyrics. You can easily add the individual tracks to your music collection on your PC or MP3 player, in high quality and if you want to even fully automatic. ClipInc. is a small software tool with a big surplus. It impressively shows how you are able to get the latest music hits totally free of charge and primarily legal. Without any dubious file sharing tools or long and expensive shopping tours in malls you can expect a variety of music titles from ClipInc. which you never saw before. ClipInc. is just an intelligent tool which uses the large offer of radio station which provide you in any event, 24 hours a day with the latest hits totally for free. In the past you have already tried to record your favorite songs from the radio manually with the help a tape recorder. Of course this method was totally legal because you have already payed your duties to the music and movie industry. That's exactly what ClipInc. does for you, just far more comfortable, completely automatical and of couse in perfect digital quality. ClipInc. is for free. All of the sources for the music come from radio stations. All rights are respecified. FAQ for ClipInc. 1.0.26.0 ClipInc. is your personal Sound Machine. Thanks to ClipInc. you never have to
